Subject: Feedback from SCAN

Hi Praveen, Manju,

I talked to the SCAN Sr Director, Bilal Paracha, who Sandhi Ton, your client manager, reports to, and he has conveyed that you guys have been very good and had produced quality deliverables for them. You were only with the account for a couple months (Praveen continuing through January) but you've already knock it off the park and help strengthen our image to the clients. With that, I am very grateful and I wanted to know how appreciate the clients are to you both. Thanks for your hardwork and Happy Holidays!

Regards,
